

eQuinelle Resident Club NEWSLETTER

May 2019

Photo Credit: Murray MacLeod

Message from your Chair

Here we grow again! Although I was preparing myself for slightly cooler and wet temperatures as I returned to eQuinelle to celebrate Easter with family and friends I was not prepared for the sizeable increase of new homes throughout the community. The Legends build out looks like it will be fully complete by the end of the year, and Kindred Crescent is well on its way with 2/3 of homes sold to date. Remaining homes along EQuinelle Dr, between Royal Landing Gate and Blackhorse are now almost fully occupied and the extension of Blackhorse was also cleared over the winter making way for a Phase 4 release along hole number 4.

Continued development in housing has led to a growing number of resident club members who can access the clubhouse facility and enjoy exclusive recreational programs and social events.

If you did not escape the harsh cold winter months, I hope that you were able to participate in club activities. In addition to regular programming, a number of new initiatives were offered this winter. Response from members was positive and the level of participation was high.

- A number of "Learn to Play" sessions were given to encourage group participation in pickleball and billiards.

- A series of workshops were held to introduce members to stained glass and acrylic painting.

- Monthly trivia was played for a round of friendly competition.

This year, National Volunteer week was celebrated from April 7th-13th. I couldn't help but reflect upon our many achievements, all possible due to community support. A heartfelt thank you to resident club members who continue to volunteer their time to manage regular club activities and programs week after week and to members who step up to organize special social events throughout the year.

Anna

Club Management Update

As you know, a key objective of the Advisory Board is to act as liaison between resident club members and the eQ management team and maintain good communications in order to keep members well informed and minimize unfounded rumours. With that in mind, we recently had a productive meeting with General Manager Rick Milks who confirmed that he would be consulting with the eQ management team to provide us with relevant updates on activities. We will pass on this information to members as soon as it is received.

eQ management intends to continue distributing a periodic eQ community bulletin like the first issue sent out in April. As this bulletin is not meant to replace or in any way duplicate the Resident Club Newsletter and in order to avoid any potential confusion, we will ensure that both communiques have a distinct appearance.

eQ is happy to report that weather permitting, work on the outdoor courts will resume shortly. With mother nature cooperating, an anticipated completion date for this project will be communicated shortly. eQ has also been asked to provide an update on the paving of some of the golf course cart paths.

General Manager Rick Milks reported that the full Fireside Grill team was in place and happy to welcome residents for another successful summer. He was pleased with the encouraging results of the few special events held this Spring and intends to continue with the popular targeted evenings such as the Fish and Chips Fridays.

As always, the Advisory Board appreciates your continued support and welcomes members' questions and comments addressed to info@equinelleresidentclub.com.

Construction in eQuinelle is in full swing. Out of consideration for all users of the club facilities, we remind everyone to please make every effort in using a dedicated pair of indoor footwear. Storage lockers are available in changing rooms and shoe mats have been placed outside room entrances for your convenience. If this is not possible, please ensure that outdoor footwear is clean.

We appreciate your consideration and thank you for helping us keep the premises clean and free of debris.

Special Election Results

... submitted by Mitch Barsalou, nominations chair

The nomination process closed on Tuesday April 23, with three candidates elected by acclamation. The Advisory Board congratulates and welcomes **Kathy Vanderwel, Erika Keller and Glen Siegersma**, who will officially join the board at its May 21 meeting. The addition of the three new directors brings our total to seven, putting us in a better position to fulfill our mandate and to address future succession planning issues.

Kathy Vanderwel

Kathy arrived in eQuinelle two years ago. She is interested in joining the board as she believes that the benefits offered by the resident club to members is a big reason why many people chose to live in our community. One of Kathy's main objectives is to ensure that all members get maximum enjoyment and value from the resident club.

In 2018, Kathy organized the resident club fashion show with Jac's Boutique. That undertaking helped her understand some of the challenges that the resident club faces and she is anxious to put that experience to good use as a new director. Kathy is also President of a Newcomers Club in Arizona, a position she has held for the last nine years.

Erika Keller

Born in Zurich, Switzerland, Erika earned a Swiss Federal Diploma in Commerce, majoring in Travel Services. She honed her skills working with a major international airline and a travel agency before starting a conference and event support company with her partner. Recently retired, Erika and Ron became eQuinelle

residents last Fall.

As a person who enjoys getting involved in her community, Erika wishes to have her eQuinelle neighbours benefit from her professional experience and talents. Energetic by nature, she is anxious to offer new ideas and contribute to the ongoing success of our Resident Club.

Glen Siegersma

Glen and his wife Lynn arrived in eQuinelle last August from Edmonton after a 35-year career with the RCMP that took them to numerous postings around the globe. The attractive small-town community, the Resident Club, its current activities and potential programming were significant factors in their decision to retire here.

Already having a vested interest in the community doing well, Glen wishes to promote the benefits that the Resident Club has to offer and help the Club and its members evolve in alignment with the stated vision and responsibilities of the Advisory Board. His experience in forming and leading teams as well as in strategic planning will be valuable assets to our Club.

May Gift Cards

Once again, two lucky members will receive a gift card to the Fireside Grill, courtesy of the eQ management group.

Following a random draw, our winners are:

Derek Bennet, 28 Magnolia Way

Kelly Kennedy, 17 Royalty Way

Gift cards will be delivered shortly.!

Enjoy!

Update from your Advisory Board

Efforts in building a strong and vibrant community continue thanks to the generosity of volunteers willing to introduce and establish new group activities. The Board is most grateful to a few members who have come forward in the past couple of months.

Adult Billiards League

Ted Livingston and his wife Cathy moved to Kemptville last September and wasted no time in getting involved in resident club activities. Ted's interest in billiards led to a quick call requesting an email blast to the membership to attract fellow enthusiasts to the game. But his engagement did not end there. Ted was trained to send out email blasts and event announcements from the resident club website to the membership. In addition to organizing a weekly league, Ted along with Doug Peace provided complimentary billiard lessons to our residents who were interested in learning about the game.

Pickleball for the Intermediate Player

They say the more you play, the better you get. New sessions for members with skills at the intermediate level have been added to the weekly schedule.

Veterans Club

Whether you are taking a leisurely stroll or simply chatting with a neighbour, chances are you have come across a vehicle with a Veterans licence plate. Why not organize a Veterans Club?

Thanks to Craig Calvert's initiative and leadership, a call was put out to solicit interest and an inaugural meeting was held on April 26th in the library.

Fiction Writers Circle

Although most of us have seen Nancy MacLean pole walking around the community, who would have expected such a high response to her call to start a creative writing group. What a great suggestion!

To accommodate the larger group, members will gather in the Card Room.

With the return of snowbirds, we are likely to witness a further increase in club programs, activities, and events over the spring and summer months. Preliminary plans are already underway for a number of special events. Stay tuned for more in the coming weeks regarding the Members Appreciation Celebration and Whisky Tasting at the clubhouse.

And why not get out there, register for a class, join a group, get involved!!

2018/19 PRIORITIES MID-YEAR REVIEW

Priority: Strengthen partnership with eQuinelle

In response to requests from club members, additional funding was secured for a commercial level abdominal machine for the gym, resurfacing of the billiards tables, and the purchase of the Canadian flag and flag poles for the clubhouse. A complimentary coffee and lunch service were provided for the inaugural meeting of the eQ Veterans' Club and prizes were donated for the end of season Billiards Tournament.

This summer, our eQuinelle golf course will celebrate its 10th anniversary. To mark the occasion, eQ is offering a complimentary memento to all Resident Club households. Members will have a choice of either a golf towel or an insulated lunch bag. Details on distribution of the items will be provided in the coming weeks. Meanwhile, the Board expresses its members' appreciation to the eQ management team for providing this commemorative gift. These examples are testament of the continuing solid relationship between the Advisory Board and eQuinelle.

Priority: Focused financial management

In an effort to facilitate the financial administration of social events and to put in place better controls, work continues on developing financial resource tools.

To date, a preliminary event template has been developed to standardize reporting and reconciliation of event financials by event organizers. In the upcoming months, the Board will be reviewing a financial budget template prepared by a resident club member to assist organizers of events in preparing their budget.

Priority: Policy Review

Three new operational policies have been developed to ensure transparency and consistency in the administration of social and special events:

- 1 Social Event Subsidy;
- 2 Event Surcharge; and
- 3 Administration of Gift Cards.

These will be tabled at the May 21st meeting and made available to members thereafter.

EQUINELLE RESIDENT CLUB MEMBERSHIP PLAN

Memberships at the Club are offered exclusively for the purpose of permitting members the recreational use of the Club Facilities. Please remember that membership in the Club is not an investment in the Company or the Club Facilities and does not provide a member with an equity or ownership interest or any other property interest in the Company or the Club Facilities.

**Club Advisory Board
Roles and Responsibilities**

While the Resident Club Advisory Board acts as a liaison between the members, the owners and its facilities management team, it does not have a role, nor does it have any liability in overseeing or managing any of the financial aspects of the building's public and Resident Club facilities.

The Advisory Board's responsibility consists primarily of:

- ensuring that the facility is well equipped;
- that activities and events are coordinated and organized to meet the needs of its members; and
- facilitating communication

The Resident Club Advisory Board has no duty or power to negotiate or otherwise act on behalf of the Club, its management or the Members, and serves only in an advisory capacity.

Special Membership Benefits

In addition to exceptional Club Facilities, membership offers a number of attractive benefits:

- **Exclusivity.** Membership is available only to residents living in the Community.
- **Immediate Family Privileges.** A member's immediate family, including his or her spouse and their children under the age of 21, who are living at home or attending school on a full-time basis, are entitled to membership privileges without having to pay additional Membership Dues.
- **No Assessments.** Members are not subject to either operating or capital assessments.
- **Preferred Pricing.** Members will receive preferred pricing on selected items at the eQuinelle Golf Club including golf fees, pro shop and food and beverage.
- **Activities.** The Club offers a variety of events and activities for the entire family.
- **Website.** The website located at <https://equinelleresidentclub.com> provides members with access to important and up to date club information.

EQUINELLE RESIDENT CLUB WEBSITE

Your voice matters!

Three online polls were conducted over the past couple of months in our ongoing effort to deliver programs and activities of interest. As a result, changes were made to regularly scheduled activities and the introduction of a new 9-hole golf league for resident club members is planned for the 2019 golf season. Your contribution is greatly appreciated.

45 % of members access the website from their desktop computer compared to 33% who prefer to use a tablet and 22% who rely on their mobile device.

eQuinelle Golf Committee

... Submitted By John Polak

The 2019 Golf Season Has Arrived

The Resident Club golf league is being organized and the games begin on May 13th. This year will see a number of changes to the format of play:

- 4 teams will compete for the season championship. While men and women will play separately all year long, each team will be a blend of men, women, lower and higher handicaps, and regular and occasional golfers.
- A Stableford system will be employed for scoring, with each player assigned their own Stableford type of handicap (the EQ Factor).
- The objective for each golfer is to beat one's own EQ Factor each week. These "surplus" points will be added together for each team.
- The EQ Factor will be adjusted every week to reflect a 5 game rolling average.
- Teams will accumulate the 7 best "surplus" Stableford points (those above their EQ Factor) from their members each week.
- Foursomes will be made up of competing team members.
- "Gimme" putts will only be accepted if the 3 competing members agree or if the putt is for a double bogey or higher.
- Any ball that is hit "out-of-bounds" will be considered to have been hit into a hazard and penalized as such.
- Only 5 games throughout the year will involve the voluntary \$5 that we played in previous years. However, the format will remain the same.
- There is a \$30 registration fee which will pay for the opening and closing lunches and prizes.
- All games are shotgun starts at 8:30.

Let's hope for warm weather, rain only after dark and before dawn, some great fellowship, the odd cold beer and a bunch of fun.

Pickleball News

... submitted by Val Devlin

Spring is upon us and you may have noticed some construction activity beyond the pool behind The Legends. Pickleballers are excited to see that **the outdoor Pickleball courts are becoming a reality** and look forward to their opening. eQuinelle Homes has advised that the intention is for the courts to be completed and ready for the Pickleball players to enjoy the game outdoors in June, weather permitting.

Linda MacLeod & Nina Hon

Did you know that **we have an international silver medalist in our midst? Congratulations to one of our very own homegrown eQuinelle Pickleballers, Linda MacLeod** who was invited to play in a tournament, 'The 6th Annual Low Country Pickleball Classic' in Hardeeville, South Carolina during her winter stay on Hilton Head Island. Linda played in the Women's Doubles, playing down one age bracket with the 28-53-year olds, as her partner was a mere 39! Over 325 players comprised of 210 teams played over three days (March 29-31) from all over the United States. These ladies won the silver medal in their age bracket! Well done Linda! You made your home team proud!

A number of our players have registered for the inaugural Smith Falls Fun Pickleball Tournament that is scheduled for Saturday June 15, called the "Paddle Battle". This event is a fun, non-sanctioned tournament (no judges).

Come on out and support our eQ Resident Club participants! The tournament starts at 9:00 am and will take place at the Memorial Centre as well as at Lower Reach Park which is a 5 minute drive away. **Hope to see some cheerleaders there!**

WHEN YOU JUST WANNA EAT OUT, WE GOT YA!

EQ Billiard League

... submitted by Ted Livingston

The inaugural season of the Equinelle Billiard League was a resounding success. Sixteen resident club members played in the league that is now sanctioned by the Canadian Cue Sport Association. League games were played on Tuesday and Thursday evenings throughout the winter. During the 25 games player each evening there was some pretty good pool being played while sharing in the occasional great laugh and always enjoyable atmosphere with our community neighbours.

To attract new members for next year the league executive provided free pool lessons to new players as well as those who hadn't picked up a cue in recent years. The lessons took place over two weekends in March while additional lessons will be made available in the future. All the women whom attended the lessons have now joined the sole female member of the pool league by booking the billiard room for two sessions per week where the women are able to play and practice amongst themselves in preparation to join the league next fall.

The league ended the season with a pool tournament. A total of 75 games were played over three days with the final games played on Saturday May 4. The tournament ended with an excellent banquet in the small multi-purpose room with the fine food prepared by the Fireside Grill. Congratulations to all the participants and a huge thank you to everyone who made the event a resounding success.

Thanks to EQ, the league was also very fortunate to play on newly refinished table tops this year along with the use of some brand-new pool cues that were funded through the resident club advisory board.

The Equinelle Billiard League will resume play in September, and everyone is welcome to join regardless of skill level and ability. The league uses a handicap system to level the playing field so be assured that there is a place for everyone. More details on the league will follow some time in early August.

Please feel free to visit our web site <http://eq.pplms.ca>.

Veterans' Club

... submitted by Craig Calvert

On a wet and dreary April Friday, 17 of the currently 28 veterans living in eQuinelle attended the first gathering of the newly formed Veterans Club. The group used this opportunity to socialize, to confirm their ambitions as a club and to discuss future group activities.

The group includes members from the regular and reserve components, all three services - the Navy, Army and Airforce and across many branches and occupations. From pilots and aircrew to ship's Commanding Officers and crew, special forces and airborne, communications and service support to name a few.

We are also blessed to have a former Chaplain General in our numbers. Particularly noteworthy, we have two police officers, a former RCMP officer

who served overseas on the front lines working with the Canadian Forces and the other a serving OPP officer and former CF member. We have representation from those who spent a few years in uniform to many who made it a full career. It is a very diverse group with many "war stories" to tell.

The Veterans' Club wishes to acknowledge and thank Rick Milks and EQ for their support in providing a Canadian Flag and poles. Courtney and chef Roger are also recognized for the excellent hospitality service that was enjoyed by all.

We look forward to enjoying many more events, and, to paraphrase an old CF recruiting slogan, there's no life like it here in eQuinelle!

We look forward to enjoying many more events, and, to paraphrase an old CF recruiting slogan, there's no life like it here in eQuinelle!

**EQUINELLE COMMUNITY
GARAGE SALE
SATURDAY, JUNE 8TH, 2019
7:30 – 2:00**

W E L C O M E

With all the new construction underway, the landscape has certainly changed over the past several months. It is nice to be greeted with a friendly smile and hello from neighbours and friends who are returning to a regular walking routine around the neighbourhood. Over the past several months, there have been a number of new resident club members. On behalf of the membership, we welcome the following new resident club members:

- Lisa and Dean Barnes
- Kevin Boudens and Ellen Brayton
- Darren and Cindy Little
- Dave MacDonald and Bernadette Tremblay-MacDonald
- Courtney and Sean Miller
- Massy Evans and Carole Ann Murphy
- Jodie and Michael Wraight
- Heather Winter

We apologize in advance, if you have been missed. To be introduced in the next newsletter, please let us know by sending an email to info@equinelleresidentclub.com.

Meet the Welcome Committee . . .

Since 2015, a group of dedicated Resident Club ambassadors have been welcoming newcomers to our community, facilitating their transition and introducing them to the benefits of our club. Current committee members **Suzanne McLoughlin, Sandy Armstrong, Dianna Berry, Sue Hives, Val Jackson, Kathy Vanderwel and Nicky Wilmore are supported by board member André Rancourt.** Together, they hand out welcome bags, offer tours of the club, assist with questions and provide information about our community. Over the past 12 months, some 40 households have been contacted and visited. While we do our best to greet every newcomer, don't hesitate to contact André or any committee member should your household have been missed. In the meantime, Welcome All to our friendly community!

Bid Euchre

Due to the ongoing interest of players, Bid Euchre play will continue uninterrupted during the summer months. Join us every Tuesday evening from 7pm to 9pm in the Resident Club card room.

EQ BOOK CLUB

The **eQ Book Club** meets on the third Thursday of every month in the library, from 1:00 PM - 3:00 PM, to discuss books, authors, and ideas.

Book selections for the current season are posted on our website.

For additional information, please contact Elisa Lane at: elisalane5@gmail.com

Equinelle Photography Club

Next Meeting - "Welcome Back"

Topic of Discussion:

All are welcome....new and old....to this evening of discussion and learning. Now that spring is here, we will discuss the proper settings for capturing landscapes and floral shots, as well as the beautiful

birds and creatures that you may encounter throughout your outdoor travels.

Please bring your camera, a friend and note pad, for what should be a fun and informative evening.

When: Wednesday May 22nd, 2019

Where: Equinelle Residents Club Craftroom

Time: 6:30pm - 8:30pm

Fitness News

... submitted by Anna Best

New Equipment in the Gym

The gym is now equipped with a new abdominal crunch machine for members. The machine is designed to alleviate neck and back pain after a workout and to ensure that the movement is being done only for the abs. Try adding this new fitness station to your workout regime and see the results.

Spring Fitness Programming

The May schedule of fitness classes and corresponding costs can be found at:

https://equinelleresidentclub.com/Activities_All

Trial: New large group fitness classes

Last spring, a number of workshops were held to solicit input from members regarding the club's fitness program. Based on recommendations from participants an online survey was conducted to allow all members to weigh in. Over the past six months, members have enjoyed a wider variety of classes, including classes offered after work and on weekends.

However, some members indicated that they would be more likely to participate if the cost of a class did not exceed \$5. This was particularly noted by respondents wishing to attend several classes.

In collaboration with the facilities management team and a couple of our certified instructors, we have been exploring the possibility of offering large group fitness classes in the multipurpose room at times that would not interfere with existing activities. Recreational / large group fitness classes will be introduced on a trial basis to determine if enrolment and participation levels warrant continuation of this new member offering.

While primarily designed to lower the cost per participant, a minimum of 20 registrants per class will be required to ensure that certified instructors receive fair and reasonable compensation. Depending on interest, we plan to start offering the first 5-week session on May 16th. Attendance will determine if classes then continue throughout the summer. Please check the May online calendar for the complete schedule and registration details.

Zumba:

5 weeks for only \$15. \$3 per class.

Drop-in rate: \$10

Fit and Strong Aerobics for 55+:

5 weeks for \$35 (2 classes per week) \$3.50 per class.

Drop in rate: \$10

KEEP IT CLEAN
Friendly Reminder TO Neighbours

There are a lot of dogs in eQuinelle and as usual it's the few who spoil it for the rest of us.

We continue to receive complaints about residents not picking up after their dogs particularly on the common grassy areas around the park benches.

Please keep your dog off neighbours' lawns, and pick up after them.

What to do with Electronic Waste

The following information is sourced from the website of the Town of North Grenville. For more information on e-waste in Ontario, visit <http://recycleyourelectronics.ca>

If you are looking for a place to drop off old batteries, the Municipality of North Grenville runs a free drop-off battery recycling program. All of the components are put back into energy production, eliminating the need to mine for more of these precious materials. Recycling Drums for the batteries can be found at the following drop off locations:

- Oxford Mills Waste Transfer Station – 699 Crozier Road, Oxford Mills
- North Grenville Public Library – 1 Water St, Kemptville
- North Grenville Municipal Centre (arena lobby & 2nd floor Reception) – 285 County Rd. 44
- Kemptville Fire Station #1 – 259 County Rd. 44
- Office Depot Kemptville

If you are looking to get rid of old electronic devices, e.g. computers, televisions, cell phones, stereos , you can drop them at the e-Waste Depot located at the Kemptville Youth Centre – 5 Oxford St. W., Kemptville. Hours for drop-off are Monday to Friday from 2 to 6 p.m. Their phone number is 613-258-5212.
